Course Procedures

ATTENDANCE AND PARTICIPATION: To be successful in this class, punctual attendance and active participation are crucial. Because this class is structured in a systematic manner, much of the material covered will not come from lectures, but from small-group and whole-group presentations. If you have a valid reason why you cannot attend a class, please call or e-mail me by 12:00 noon on that day. If at all possible, please send completed homework with a classmate so as not to lose points. You must then ask class members to let you know what you missed. You must also obtain copies of any handouts that were distributed. Five points will be taken off your grade for each class you miss.

CLASS ASSIGNMENTS: All class assignments must be completed on time. Five points will be deducted from any assignment turned in late. No credit will be given for assignments turned in more than a week late. Please be prepared to discuss all reading assignments as well. If you are struggling to complete an assignment, please contact me BEFORE the assignment is due so that I can assist you. Students with disabilities who may need accommodations are encouraged to contact the Dean of the Comenius Center as soon as possible. You can expect to work 2 hours outside of class each week. All written assignments must meet the criteria for standard academic English. All assignments should adhere to the Academic Policy of Moravian College.
