Objectives of this course: The aim of Spanish 155 is to help students improve their Spanish language skills, and their knowledge of the culture, history and literature of the Spanish speaking world through readings, exercises and class discussions. The class will be conducted in Spanish in order to give the students more opportunities to develop the communicative function of the language.

Requirements:

Class attendance:

Faithful attendance is expected. Every student will be allowed to miss up to **three (3) classes** without losing points off their final grade (*however, remember that your weekly class participation grade will suffer beginning with the first absence, regardless of the reason for it*).

- Every absence beyond three will result in a **deduction of 1 point taken off the final grade of the course**. It is the responsibility of the student to reserve his/her 3 absences for those circumstances when missing class is unavoidable (i.e. illnesses, field trips, participation in sporting events, etc.) and to inform the professor as soon as possible about the reason for the absence.
- In case of extended absences the student should talk to Students Services or the Academic Dean who will contact the professor. Only if the Dean justifies the absences, they will be excused (and points will not be taken off).
- **Remember:** Requests to excuse absences at the end of the semester will not be considered. Students have the responsibility of keeping track of their own absences. No reminders will be given.
- **Three (3) late arrivals** to class (10 minutes or more) will be the equivalent of one absence and students will lose 1 point off their final grade. Please, be respectful to other students and the professor, late arrivals are disrupting.

- **Cell phones and other communication devices** will be turned off during the entire class period (not just put into “silent/vibrate” mode). If you need your device for emergency purposes, inform the professor before class begins. If your phone/device “rings” during class, you will be warned. The second occurrence during that same class period will result in the student being removed from class that day. If a student is found checking/sending messages with his/her device during class, he/she will be removed from that day’s class.

Class participation: Students are expected to come to class having prepared ALL materials assigned. In class, students **must participate actively** speaking in group activities and class discussions. Missing class lowers the participation grade. It is essential that students watch the DVD “El espejo enterrado” by Carlos Fuentes (included in the book) BEFORE coming to class.

Active Participation in class will be graded as follows:

A=95 *Excellent participation* (the student answers questions and offers interesting comments without the need of the professor calling on him/her. The comments and answers show that the student is well prepared, completed and understood the assignment).

B= 85 *Good participation* (the student answers questions and offers interesting comments whenever the professor calls on him/her. Sometimes, the student participates without being asked. The comments and answers show that the student is prepared and understood the assignment).

C=75 *Fair participation* (the student answers questions and offers comments only when the professor calls on him/her. The comments and answers show that the student prepared or attempted to complete the assignment, but doesn’t seem to understand it all).

D=65 *Poor participation* (the student answers questions and offers very brief comments only when the professor calls on him/her. The comments and answers show lack of interest, improvisation and/or a poor preparation).

F=55 *Lack of participation* (the student does not answer questions and does not offer any comments in the class or group discussion. The lack of comments and answers or incorrect answers shows that the student has not completed the assignment or prepared for the class. If he/she has done it, it has been in a careless or incomplete way).

No attendance, no participation at all: When a student is not in class, he/she gets a 0 for that day regardless of the reason for that absence.

Exams: there will be 3 exams during the semester. Unauthorized absence from an exam will result in a grade of zero for that exam.

Final take-home essay: The topic for the final take-home essay will be selected by the student after consultation with the professor. The take-home final essay will be due on the last day of class.

Preparación de ejercicios de gramática: each student will have to prepare at least once during the semester 2 to 3 brief grammatical exercises and bring them to class for everybody to practice the section “gramática en breve” of each chapter. It is advisable that the student brings enough photocopies for all the students in class that day.

“Ejercicios escritos” to be handed in class: all students will prepare in writing the 5 exercises marked as ♦*Entregar*. Those exercises will be handed in on the day specified on the syllabus (programa del curso). Content and grammar will both be considered by the professor when grading these assignments. Late assignments will not be accepted.

FINAL COURSE GRADE:

Class preparation and participation -----	15 %
Three exams in class -----	45% (15% each)
Preparación ejercicios de gramática -----	5 %
Five “ejercicios escritos” to be handed in class -----	20% (4% each)
