grading:

Homework assignments	70%
Attendance/class participation	10%
Final	20%

Homework assignments are due by 4 PM on the due date.

Assignments handed in within one day of the due date will be docked a fraction of a grade (i.e.: A- becomes B+). Assignments handed in after one day but within a week of the due date will be docked a full letter grade (i.e.: A- becomes B-). Assignments handed in more than a week late will be corrected but not graded (i.e.: a grade of zero is recorded for that assignment). Any assignment that received a grade below the level of an A may be redone for a check (+). The check (+) does not replace the original grade, but counts positively towards your final grade, particularly in borderline cases. You have unlimited chances to correct your assignments in order to gain a check +.

Your attendance is required at all class meetings. Any unexcused absence will result in a lower grade. You will also be expected to observe departmental guidelines for attendance at recitals and concerts. *Note: Attendance at the weekly Performance Class (Tue. 11:30) is crucial, as pieces performed at these classes are discussed and analyzed in class.*

Note: Absences are excused only when you bring a note from the health center or from any physician. If you arrive in class more than ten minutes late, you will be considered absent (exceptions: weather problems or other circumstances beyond your control).

Students must adhere to college-wide policies on academic honesty, as described in the Student Handbook.

Note: This syllabus is subject to change. It is within my purview to apply qualitative judgment in determining the grades for all assignments and for the final grade. Students should expect 1-2 hours of homework for every hour of class.

Outcomes for Diatonic Harmony, as listed in the Music Dept. Self-Study, 2000

At the end of **Diatonic Harmony**, students will be able to:

1. read and write in treble, bass, alto, and tenor clefs
2. identify parallel and relative keys;
3. identify major and minor keys signatures;
4. navigate the circle of fifths;
5. spell major, minor, augmented, and diminished triads, and all types of seventh chords;
6. realize on paper a figured bass line employing standard conventions of voice leading in a four-part vocal texture;
7. harmonize a melody in three-part and four-part vocal textures, employing a variety of diatonic triads and seventh chords and non-chord tones;
8. analyze a simple four-part chorale using Roman numerals and inversion symbols;
9. analyze chord progressions in a variety of textures;
10. recognize and label periodic phrase structures;
11. compose and voice a diatonic chord progression using standard conventions of voice-leading;
12. recognize and correct common errors in voice-leading, including:
 - improper resolution of leading tones
 - improper doublings of pitches
 - improper resolution of sevenths
 - parallel perfect consonances
 - direct fifths and octaves
 - crossed voicing
 - augmented and diminished melodic intervals
 - weak chord progressions (ex. V-IV)
 - spacing errors
13. recognize elements discussed in class (e.g., authentic cadences) in the music they are performing or hearing in the current semester;
14. synthesize the individual elements of theory and voice leading learned in class by composing a simple, diatonic, 4-part chorale in periodic form, free from errors in voice-leading
