

ART 113 SECTION A – M W F 7:50 - 8:40 (1ST PERIOD) ROOM PPHAC 330
GLOBAL PERSPECTIVES IN ART HISTORY TO THE RENAISSANCE – FALL, 2007

Instructor: Jan Ciganick email: jciganick@moravian.edu

Office Phone: 610/861-1680 –

Office Hours: Weekdays 9 am - noon and 1 to 4, ART OFFICE, SOUTH CAMPUS

Art is a human activity consisting in this, that one man consciously, by means of certain external signs, hands on to others feelings he has lived through, and that other people are infected by these feelings, and also experience them. - Leo Tolstoy

Goals: This course is a chronological study of the visual arts, from the cave paintings at Lascaux, France to late Gothic painting (c.1400). This course will serve to introduce major historical eras, artists, masterpieces and movements and provide a foundation for more advanced study. Although the focus is on Western art, non-Western art will be introduced. The class will include Power Point presentations, textbook readings, written assignments, a team presentation at end of semester, quizzes, tests, and at least one field trip. At course completion, students should be able to:

- * Analyze works of art in terms of the historical era in which they were produced.
- * Develop an appreciation for the evolution of artistic media, styles and techniques in painting, sculpture, architecture, and other visual art forms.
- * Verbalize an aesthetic judgment about a work of art at a level beyond personal opinion, based on an understanding of the many motivations and techniques behind the creation of a work of art.

Text: Art Across Time Volume I: Prehistory to the Fourteenth Century by Adams (paperback) **Third Edition**

Requirements:

Attendance and Lateness: If you miss class, it will be your responsibility to get notes and study sheets from other students. You can also download study sheets from my Blackboard site, or contact me (at my office or at the beginning of the next class) to receive them. I will allow two unexcused absences (without a note from the Dean or Student Services). The third absence will drop your final grade on the numeric scale by two points. Art department policy states that the fourth absence will drop your final grade by one letter. More than five unexcused absences will result in a grade of F. Note that being more than fifteen minutes late to class, without an extenuating reason, counts as being absent. I understand that circumstances beyond your control may cause you to be late – please come to class late rather than missing class. However, chronic repeated lateness will not be tolerated.

Time Required Outside Class: Students should plan to spend at least two hours each week outside class reading the text and preparing for class. Substantial additional time will be required to complete written assignments and the team presentation, visit off-campus sites, and prepare for quizzes and tests.

Tests: There will be three tests, weighed equally. The format of these tests will be fill-in-the-blank; you will have to know relevant information about works of art on your study sheets. There will also be several short essays comparing and contrasting works of art. Tests are scored 0 to 100. I will have CDs with images of the artwork on the tests that I will distribute prior to the first test. These CDs will be lent to you; you must return them at the end of the semester, or there will be a \$5 charge.

Quizzes: There will also be 6 quizzes; 4 will be fill-in-the-blank dealing with a particular time period, and two will be matching quizzes related to architecture terms. Quizzes are scored 0 to 20. Quiz grades will be averaged together and count as one test grade. The lowest quiz grade will be dropped.

Blackboard site: Sign up for my ART 113A Blackboard site to receive announcements. All quiz and test grades will be posted in a timely manner. All students are expected to sign up prior to the first quiz.

Academic Honesty Policy: Please reference the Moravian College policy in the Student Handbook. Cheating on exams or quizzes will not be tolerated and will result in a 0 for the exam or quiz. Written assignments are designed to engage students with material covered in class through visual participation and personal reaction. The Internet can provide valuable source material, but you must participate by visiting the museums and buildings yourself, in person, and offering your own viewpoint. If I believe you have simply extrapolated Internet information, I will assess your assignments accordingly.

Students with Learning Disabilities: If you believe you need accommodations in this class, you are encouraged to contact the Learning Services Office as soon as possible to enhance the likelihood that such accommodations are implemented in a timely fashion.

Field Trip: A bus trip to New York City museums related to this course will be held later in the semester (tentatively Friday, November 2). Trip cost will be billed directly to your student account by the Business Office. The cost covers the bus and admission to the Metropolitan Museum of Art, St. John the Divine, and the Cloisters. It is important that you attend this trip if possible; one of the written assignments is based on the field trip. Otherwise, you will have to visit the sites on your own or make arrangements with the instructor to visit alternative sites. There may be an alternative trip – you can accompany either trip, or both – more information will be announced closer to the trip.

Written Assignments: There will be three brief written assignments. These are informal assignments, minimum of two pages in length (not including pictures), not requiring bibliography or footnotes. Grading is based partly on art history and partly on writing style, including spelling, grammar and punctuation. Grading criteria will be distributed prior to first assignment, and a more detailed description will be distributed prior to each assignment. Papers will be scored from 0 to 25. If you miss a class when paper is due, you may send the paper via email, or you may drop it at my office, prior to the class meeting. Papers which are turned in late will not receive full credit (maximum possible grade will be dropped 2 points if not received on due date and 2 additional points for each class meeting late thereafter).

Classical Architecture: Find a local example of a building which incorporates Classical elements. Describe the elements included.

Field Trip: During our trip, select two work of arts from the list provided (one from the Ancient World; one from Asian, Islamic, or the Medieval World). Analyze them in terms of style, craftsmanship, aesthetic appeal and place in history; compare them with each other and with other works of art we have studied. Why do these works of art appeal to you?

Gothic Church Architecture: Find a local example of a building which incorporates Gothic elements. Describe the elements included.

Team Presentation: Movie Assignment. We will divide the class into eight teams of 4 to 5 people. Each team will analyze a movie set in the ancient or medieval world in terms of its art and architecture. Each team will present a different movie. We will select teams and draw lots on Friday, 10-19, but you should begin considering your team, and possible movies, in advance. Group dynamics always play a role in team presentations; each member of the team will receive the same grade, so divide up responsibilities wisely. I would expect teams to work out difficulties amongst themselves, but I will be available in the event of major problems. Each team will present a Power Point of approximately 8 minutes including images from the movie (movie stills or very brief video clips), with comparisons to art and architecture we studied in class. Was the artwork portrayed accurately, or not? How did it enhance the story? (This is not as easy as it sounds!) It must be historical (The Mummy, Troy or Gladiator are fine), not simply a movie about someone visiting historic sites (no European Vacation or Roman Holiday). A list of suggested movies will be provided. Teams will present on December 5 and 7. A written summary or outline will be turned in at the time of the presentation. Team members with an unexcused absence on the day of their presentation will receive a "0" for the assignment. The team presentation grade will count as one written assignment grade.

Evaluations:

Each of the three tests will count as 20 per cent of your final grade. Tests are graded from 0-100.

The average grade of the quizzes, (deleting the lowest score) will count as 20 per cent of your final grade. (All quizzes are graded 0-20. The total of the 5 best quiz grades counts toward your final grade.)

The average of the brief written assignments and team presentation will count as 20 per cent of your final grade. (Each paper, and the presentation, is graded 0-25. The total counts toward your final grade.)

Final grade is determined by your numeric average of 3 tests, quiz total, assignment total.

A 100 to 94; A minus 93 to 90

B plus 89 to 87; B 86 to 84; B minus 83 to 80

C plus 79 to 77; C 76 to 74; C minus 73 to 70

D plus 69 to 67; D 66 to 64; D minus 63 to 60

Below 60 F

Grades in this class are very clear. They are regularly posted on Blackboard. If you have any questions about grades, contact me immediately after a test, quiz or assignment, preferably by email. Do not wait until the end of the semester to question grades; final grades are not open to debate.
