## **CLASS PROCEDURES**

**Students will be given readings from the required text; Class participation will be graded. Lab assignments are art education centered and students will participate in developing rubrics for evaluation. Assignments must be complete to be graded. This includes the visual and written parts of the assignment. Missing assignments will result in class failure. All work must be the student's original work. Late assignments will be dropped a grade. Students need to plan for two hours of outside class work each week.**

**Due to the nature of this class, absences are discouraged. This is a studio class where assignments build in complexity of concept and technique. If you must miss class, a doctor's note is required. Absences will be considered excused or unexcused. More than one unexcused absences will lower one's letter grade. Not participating in classroom discussions, labs, and activities will affect one's grade. It is also the student's responsibility to get notes and copies of missed handouts and class information from classmates. Students must come to class on time with their assignments, art materials, text, and notebooks. Students coming late will not be given full credit for attendance. The type of final is determined by class participation and material covered.**

## **ART DEPARTMENT ATTENDANCE POLICY**

For classes that meet once a week: **After the first unexcused absence, one full letter will drop final grade. After the third unexcused absence, student will receive a failing final grade.**

An excused absence is one confirmed by a note from the Dean's Office, Student Services, the Learning Center, or verified with a doctor's note (within 24 hours of illness). Death in family should be confirmed with Student Services.

Documentation is required for sports. Coach should email a note to instructor confirming matches, meets, departure time for away games, or anything that would require absence from class. Practice is not an excused absence.

Job interviews or doctor's/dentist's appointments are not to be scheduled during class.

**Missing Portions of Class: The following count as unexcused absences**

- More than 15 minutes late for class
- Failure to bring supplies to class
- Failure to return from break
- Leaving class half an hour or more early
- Being tardy more than 3 times. Tardiness: being 5 to 15 minutes late for class

*Students: If you are late or absent, it is your responsibility (not the professor's) to find out what you missed and to catch up in a timely manner.*

2. Participants will participate in all classroom lab activities, field trips and assignments.
