COURSE CODE For MySpanishLab: Spanish 100 A CRSCDDQ - 418155

Spanish 100 B CRSCD1M - 418156

Spanish 100 D CRSCD5D - 418157

Objectives: The aim of the Spanish 100-105-110 program is to establish the basis of a life-long learning experience in the Spanish language, which will include the development of communicative skills and learning about the cultures of the Spanish-speaking world. The material of study is divided into three semesters and throughout the program, students develop language skills in reading, writing, listening and speaking in Spanish which allow them to handle simple real life situations and simple communicative tasks (such as ordering a meal, asking directions and making purchases). They should be able to ask and answer questions in simple sentences about themselves, their daily routine, and so forth, within meaningful, culturally authentic contexts. Students are expected to attain the "Intermediate Low" level of proficiency upon completion of this basic language program.

Español 100 will focus on Lessons 1 - 5 of *¡Arriba! Comunicación y cultura*. Students will be able to communicate about aspects of daily life in home, school, and community in conversation and in writing in the present tense. Students will have a general understanding of geography and cultural realities of the Spanish-speaking world, with particular focus on Spain; Mexico; Guatemala, El Salvador, Honduras; Costa Rica, Nicaragua and Panama.

Asistencia (Attendance). Faithful attendance is required. An unexcused absence will result in a class grade of 0 for that day as well as a grade of 0 in any quiz or homework assignment due that day. I will excuse absences due to illness or other emergency, but only IF YOU NOTIFY ME **BEFORE** THE CLASS TO BE MISSED. IF YOU ARE TOO ILL TO CALL OR EMAIL, HAVE SOMEONE ELSE DO IT FOR YOU. I reserve the right to request documentation.

You will not be excused for more than two consecutive absences without documentation from the Health Center. If your absence of more than two consecutive classes is for an emergency other than your own health, you will need to show me documentation from the office of Learning Services (1307 Main Street, Telephone x1510). Please note: *Documentation from the Health Center or Learning Services does not eliminate the need to contact me before each class you miss.*

Nota de clase (Class grade). Students must complete all assigned work in the textbook and in MySpanishLab, before coming to class. Those who come on time and are prepared will receive 100% for a class grade that day. Those who come to class unprepared will receive a class grade of 50%. Those who arrive late will receive a 75%. Late and unprepared, 25%. Unexcused absence, 0%. More than three absences, *excused or not*, will result in a penalty of 3% off your class grade for each absence beyond the third. Generally the students who do best in the course are those who have NO absences.

Preparación. In addition to the textbook you have a wealth of resources available to you at www.myspanishlab.com. MySpanishLab contains many activities assigned as homework, but in addition it has many other useful resources: your entire textbook is there in electronic form. There are tutorials in English and Spanish grammar. There are vocabulary flashcards and Powerpoint presentations of the grammar lessons. There is a glossary. There are audio and video materials, including cultural lessons in video. This syllabus and other useful documents are also available online at MySpanishLab. You will not have time to use everything that is there but I hope you will at least become familiar with what is available so you can use what will most help you or what most interests you. To access MySpanishLab, you must have the code you purchased with your textbook at the bookstore. After you use that code to create your MSL account, you will need a section code to enroll. Find the code for your section on the first page of this syllabus near the top.

As you prepare for each class, keep in mind that your goal is to *master the material*, whether learning vocabulary, learning verb forms, or understanding concepts. The assignments in your book and online are tools to that end. The assignments are *NOT* the end. Use the tools you are assigned and whatever others you find appropriate and useful. If you approach your work in this spirit, you will learn more.

FORMAT FOR WRITTEN WORK

I will not accept work that does not follow one of these formats

Handwritten:

- Use smooth-edged paper (no spiral notebook tear-outs)
- Write NEATLY on EVERY OTHER line.
- Write QUESTIONS and answers. Write in complete sentences unless otherwise directed.
- Clearly label each activity.
- This applies to written activities from MSL* and from the textbook. *Write out textbook activities that are not short answers.*

Typed:

- Use 16 pt Times New Roman or Arial.
- Triple space.
- Write QUESTIONS and answers. Write in complete sentences unless otherwise directed.
- Clearly label each activity.
- This applies to written activities from MSL* and from the textbook. *Write out textbook activities that are not short answers.*

*The Assignment Calendar will tell you which activities to write out. All others will be completed online.

Quizzes (*Pruebas*) and make-ups: There will be a vocabulary quiz part way through each chapter, an end-of-chapter quiz after every chapter except Chapter 5. No make-up quizzes will be given for unexcused absences. SEE ATTENDANCE POLICY REGARDING EXCUSED ABSENCES. If your absence is excused and you wish to be considered for a make-up, you must discuss this with me *before the next class meeting*.

Academic Honesty. Please refer to the Academic Honesty Policy section in the Student Handbook.

- Homework may be graded, and so is to be done independently.
- Improper use of the dictionary or use of online translating services for written assignments will result in a grade of zero.
- *Proper* use of your dictionary is
 1. looking up words in the Spanish-English part from reading assignments
 2. looking up words in the English-Spanish part that you have learned but don't remember.
- **Your written work should never include any vocabulary or grammar that we have not covered this semester.** Such work may be rejected.

Examen final: The final exam is cumulative. Spanish 100 A will be Friday, December 11, at 8:30 a.m.
Spanish 100 B will be Tuesday, December 15, at 1:30 p.m.
Spanish 100 D will be Friday, December 19, at 1:30 p.m.

Classroom expectations. Students are expected to show respect for all present by

- arriving on time.
- not eating in class.
- turning off cell phones and putting them away.
- not wearing hats that prevent eye contact.
- refraining from private conversations during class.
- taking care of bathroom needs before class so as not to disrupt class with coming and going.
