Your attendance and participation are vital to the success of the course; therefore, *active participation is welcomed and encouraged!* Participation includes attending class, reading the assignments prior to attending class, completing homework assignments, and participating in class discussions. Many of the concepts covered in this course build upon concepts covered earlier in the course. For this reason, it is crucial that students keep up with the readings and assignments. Please ask questions and seek help as soon as possible to avoid falling behind.

Attendance and participation will count toward your final grade. I will take attendance at the beginning of each class period. I understand that students will on occasion have to miss class for a variety of reasons; therefore, you can miss up to two class periods with no impact on your grade. Please note that classes missed due to other commitments such as athletics, doctor appointments, interviews, etc. are included in the two missed class periods. If a situation arises that would cause you to miss a class, please notify the instructor via email as soon as possible. It is the student's responsibility to make arrangements for any missed materials or assignments.

Examinations

All students are expected to take examinations when scheduled. It is the ***student's responsibility*** to notify the instructor of any conflicts ***BEFORE*** the scheduled exam date. In the case of a known conflict, a makeup exam will be scheduled in advance. If an emergency situation arises that results in a student missing an exam, it is at the instructor's discretion to determine if a makeup exam will be scheduled or a cumulative exam will be given at the next exam date. Please refer to the Schedule of Assignments on the last page of this syllabus for the exam dates.

Homework Assignments

Homework problems will be assigned throughout the semester. The specific homework problems will be announced in class. In order to receive full credit for homework, students must make an adequate effort at completing all of the problems. Problems for which the instructor does not feel the student has made an adequate effort will not be given credit.
