Grading and credit:

MU310. All music majors enrolled in MU310.x with concentrations in voice, piano, organ, guitar, or electric bass are required to participate in a large choral ensemble each semester. Vocal ensembles may also serve as secondary or elective ensembles to wind, brass, string, and percussion majors. A minimum of two semesters is required of all music education majors with an instrumental concentration.

MUS 003 and MUS 013. All ensemble participants who are not music majors must register for one of the two Women's Chorus' course numbers: MUS 003 (elective), or MUS 013 (M6 credit). These students are expected to participate in all rehearsals and performances and follow all ensemble rules and guidelines. Students who wish to fulfill their M6 credit (Aesthetic Expression) requirement additionally must write a two-page paper on a topic selected by the director, typically a biography of one of the composers performed in the semester or program notes on one of the pieces performed.

Grading is based on attendance, positive participation, behavior, preparation, and performance. Each ensemble members starts with 100 points and points are subtracted for each infraction:

- | | |
|---------------------------------|----------------------|
| - Unexcused lateness | -1 (every 5 minutes) |
| - Excused rehearsal absence | -5 |
| - Unexcused rehearsal absence | -10 |
| - Excused performance absence | -10 |
| - Unexcused performance absence | -20 |
| - Disruptive behavior | -5 |
| - Poor preparation | -2 (per occurrence) |
| - Limited participation | -2 (per occurrence) |

Music Majors (MU310.x) will receive a numeric grade that is part of the performance unit grade
Students in MUS 003/MUS 013 will receive a P/NC grade (60 points or higher is required to pass)

It is within the instructor's purview to apply qualitative judgment in determining grades

Part-predominant MP3 recordings:

- Part-predominant MP3 recordings are available on the MC Public Drive
- Each WC member is responsible for obtaining those recordings.
- It is STRONGLY suggested that ensemble members make their own copy of these MP3 recordings.

Instructions to access the MC Public Drive:

- The public drive may be accessed from any computer connected to the campus network, either at a students' room, library, computer labs and other locations including wireless connections.
- Once on the public drive (P:), find the "music" folder, then the "women's chorus" folder and then the "fall 2011" folder, separate folders for each selection and then for each voice part will be found
- Ensemble members MUST seek assistance from ITC if unable to locate or access the public drive and/or for specific instructions on how to locate and access it.

Ask for help immediately if you experience difficulty locating, opening, playing or handling the MP3 recordings. Having problems with the use of the recordings does NOT constitute a valid excuse for not being prepared for rehearsals

Final note: The use of cell phones (making or accepting calls and/or texting, emailing, etc.) during rehearsals is NOT permitted. Please turn cell phones off (and to silent mode) and put them away before rehearsal begins. This also applies to lap/hand held computers, games, or anything that may distract the singers' (and director's) attention from rehearsal. (If due to an emergency situation a phone must be kept on during rehearsal this must be disclosed to the ensemble director beforehand)

HAVE FUN AND ENJOY BEING PART OF THIS WONDERFUL ENSEMBLE
