**Texts – both continuations from MUS III**

Ottman, Robert. *Music for Sight Singing*. Upper Saddle River, NJ: Prentice Hall, 1996, 8<sup>th</sup> ed. [chapters 7-9; 11-15]  
Benward and Kolosick. *Ear Training: A Technique for Listening 7<sup>th</sup> Edition*. (2010).

**Grade distribution and Criteria**

Assignments	35%
Assessments (4)	40%
Attendance / Participation	25%

Assignments

- Most of the assignments are performance-based (vocal, rhythmic, played, vocalized) and will graded on the following point scale (.5 rounds up to the next number):

Prepared / Confident	Prepared	Often unprepared	Unprepared
A / A- 90-100	B+ / B / B- 80-89	C+ / C / C- 70-79	D+ / D / D- / F 0-69
Confidently done Displays prep No errors	Few errors Minor tempo fluctuations Comfortably done Displays prep	Stops once Hesitates and/or too slow Multiple errors Needs more prep	Multiple stops Multiple errors Incorrect and or inconsistent tempo Displays insufficient prep Unable to do

Assessments

- These will consist of assessments of your cumulative work on 4-part dictations, “authentic” vocal sight-reading, rhythmic dictations and performances (including sight-singing, keyboard progressions, rhythm tapping/counting, and conducting), and aural recognition. Each assessment is equal to 100 points.
- There is no final assessment during final exams.

Attendance / Participation

- Please arrive just before the start of the class. If there is a random issue preventing you from on time arrival, please send me a text. That way I will know you are OK. If there is persistent reason to be late, please speak directly with me to work out a solution.
- Your participation and course contributions will assist in everyone’s learning. Each unexcused absence or two late arrivals will result in subtracting 5 points from your final grade (not just from the 25% class Attendance / Participation).
- A note from the Health Center or a physician is required for an illness excuse. The note is due one week from the absence. After that date it turns into an unexcused absence.
- If you are absent, you are responsible for obtaining assignments from a classmate and preparing those assignments for the next class. Since musicianship skills are built over time, absent students may be at a disadvantage in this course.
- You and your classmates will decide on one common “freedom” day this term. The entire class may miss with no penalty. You must tell me 2 class sessions before the freedom day in order to adjust the lesson plans. This can also be an assessment day (delaying the assessment by one class session).

**Academic Honesty**

Students must adhere to college-wide policies on academic honesty as described in the Student Handbook.
