- * You will learn how the Law, as an instrument of social control, permits society to encourage and supplement ethical behavior, especially in the context of business relationships.

Requirements and Methods of Evaluation:

Academic Honesty and Disability Policy:

The rules of the college as they apply to withdrawal from the course and plagiarism will be strictly followed. Students are encouraged to consult the college handbook for details of these policies. Students who wish to request accommodations in this class for a disability should contact Ms. Elaine Mara, Assistant Director of Learning Services for support, 1307 Main Street (extension 1510). Accommodations cannot be provided until authorization is received from the office of Learning Services.

Other Useful Information:***Make-Up Exams.***

Make-up exams will not be given unless the student can prove serious illness resulting in hospitalization or death in their immediate family. The burden of proof is on the student to demonstrate the above. Minor illnesses, fatigue, vacation plans, death of pets, and distant relatives are not excuses unless the Dean of the College permits dismissal for these reasons.

Required Text and Materials:

The following book is required and is available for purchase at the Moravian College Bookstore: ***West's Business Law: Legal Ethical, Corporate Environment*** by Clarkson, Miller et al twelve edition.

Blackboard:

I will be using the Blackboard online system as an instructional tool. Students will be able to download and print the syllabus, class assignments, outlines for class and challenge cases. You will also be able to chat with me in real time about class matters and more easily contact me at other times. Greater facilitation of group work may also be a byproduct of this process.
