### I. Course description and Goals

This second course of the three-semester sequence Spanish series at Moravian College is designed to consolidate your knowledge of Spanish grammar while increasing your general vocabulary and comprehension skills. The class will be conducted entirely in Spanish. Students will achieve “Intermediate Low” proficiency upon completion. Students will develop skills in reading, writing, conversation, and comprehension, as well as broadening their cultural understanding of the Spanish-speaking world.

You should expect to dedicate at least **two hours** of study and preparation outside of class for every hour of class time. Language learning is a gradual, cumulative process; you will have the greatest success and see the most long-term gain from consistent, daily work. Your regular attendance and active participation will make it possible for you to:

- Communicate in basic, every conversations in Spanish spoken at a normal or near - normal pace
- Talk about events in the past and the present indicative
- Use the present subjunctive to give advice and to express wishes and emotions
- Learn useful vocabulary related to food, travelling, body parts, and shopping
- Express likes and dislikes in Spanish
- Read some basic texts in Spanish
- Write simple texts of different sort such as a restaurant review, a travel and/or a publicity brochure
- Have a greater understanding of Spanish-speaking countries and of Hispanic cultures

### II. Background Requirements

Students at this level are expected to be familiar with basic Spanish vocabulary and to have a good grasp of most basic grammar concepts (subject/verb agreement; conjugation of the present tense; interrogative words, reflexive verbs and present progressive tense), as well as some control over certain of the more complicated concepts (adjective/noun agreement; use of direct object pronouns; the use of *ser*, *estar* and *tener*). Students are strongly recommended to use the SAM electronic tutorial for additional practice with these grammar topics.

## B. Determining Components:

### 1. Attendance

You need to come to class and be on time. 0-2 absences will not be penalized, but may affect class performance. More than two absences will result in lowering the final grade by one point for every additional absence. Please turn off your cell phone before entering class.

**If you use your cell phone during class – including text messaging – I will ask you to leave the room.**

Excused absences and make-up work:

Absences due to illness, emergency, sports, events, etc. need to be excused to be able to make up missed work/exams, etc.

***Four consecutive unexcused absences will drop you from this course.***

### 2. Class participation

Students are expected to arrive prepared to actively participate in all class activities by having read the readings and completed all assignments. Active participation in class is crucial for increasing verbal competence in Spanish. Simply being present and taking notes does not constitute active participation. Active participation involves speaking and collaborating in paired and group activities, completing in-class writing assignments, working on oral presentations, doing on-line preparatory work, and volunteering answers in class discussions. A positive attitude is expected and it makes a difference towards your participation grade.

Participation should be in Spanish, even when speaking with another student. Speaking in English may be considered “negative participation” and will result in a very low participation grade. Speaking in Spanish, even when you make mistakes, get frustrated, or have trouble communicating, helps your brain learn how to speak Spanish.

Class participation grade will be assigned every day and will be updated at the end of each Chapter Exam.

Arriving on time and prepared: 100%, late and prepared 75%, not prepared for class 50%.

Remember: If you are not in class, your class participation grade is F for this day.

### 3. Group Presentation:

There is one 7- 10-minutes Oral Presentation; 2- 4 students will prepare a dialogue about food preparation, creating a poem or a song, discussing a newspaper article, all related with the country assigned. You must contact your instructor at least a week before your presentation to get the approval. Speaking skills/ preparation and presentation overall will be evaluated on the basis of the following scale:

Communication of Message (as a group)	20%
Content and Vocabulary (individually graded)	20%
Grammatical Accuracy (individually graded)	20%
Pronunciation and Fluency (individually graded)	20%
Preparation/Creativity of Presentation (as a group)	20%

### 4. Carpeta de Español:

Due the last day of class, students work on editing each assignment. Bring it to the instructor for help if needed.

**Format for presenting the Spanish Folder:** Full grade is given ONLY on written work that follows these formats:

**ONLY** one page per assignment. Include: **Title** of the assignment, **Name** of the student, your **Professor's** name and the **Date** of completion.

**IF Handwritten:**

- Use smooth-edged paper (no spiral notebook tear-outs)
- Double spaced.
- Write QUESTIONS AND answers. Answer in complete sentences unless otherwise directed.
- Write NEATLY

**IF Typed:**

- Use 14 pt Times New Roman or Arial.
- Double spaced.
- Clearly label each activity.
- Type QUESTIONS AND answers. Answer in complete sentences unless otherwise directed.

**5. Writing Components:** In-class 3 minutes rule writing.

**6. Homework/ MylanguageLabs** (<http://www.Mylanguagelabs.com/>) activities are assigned on a daily basis and will have due dates as indicated on your calendar at SAM (Students Activity Manual). Additional Homework will be assigned as well. Late work will be accepted but will have a reduced grade.

**7. Exams:** There is one exam at the end of each Chapter covering the Spanish culture, grammar, and vocabulary and a Final Exam that covers Chapters 6-10. Each exam is cumulative, which means you are to study earlier chapters every exam. (I.e. for Test 2 you need to study chapters 6 and 7, for Test 3 study chapters 6, 7 and 8, etc.).

**8. Quizzes** There will be vocabulary quizzes. You need to study words and expressions from English to Spanish

**9. Final Oral Exam:** This will take place at the end of the semester in an Individual meeting with the instructor. You will receive specific information in class.

**VI. Academic Honesty at Moravian College:** Plagiarism, cheating, helping or hindering others, false testimony, violations of copyright law, are unaccepted in the course. A discussion of each of these areas may be found in your Student Handbook (<http://www.moravian.edu/studentLife/handbook/Handbook08.pdf>.)

Any violation of this matter will have as a consequence a cero in the course.

**VII. Accommodation for Disability:** Students who wish to request accommodations in this class for a disability should contact Elaine Mara, Assistant Director of Learning Services for Disability Support, 1307 Main Street (extension 1510). Accommodations cannot be provided until authorization is received from the office of Learning Services."
