

# EDUC 218.2 (2) Wellness, Movement & Health for Young Children – Fall 2013

**Meets**: Thursdays, 10:20 – 11:30 AM, PPHAC 302

Faculty:

 $Dawn\ Ketterman-Benner,\ MS,\ Johnston\ Hall\ 136,\ 610\ 861\ 1530,\ \underline{Ketterman-bennerd@moravian.edu}$ 

Janet A. Sipple, EdD, RN, Hamilton Hall 100, 610 851-1608 sipplej@moravian.edu

Office Hours: See BlackBoard

*EDUC 218.2* in a half unit course. This course is designed to inform future early childhood teachers, as movement educators, about the discipline of physical education and the role they can play in producing physically active and healthy, safe children. Specific attention will be given to motor skill and movement concepts and strategies, techniques, and approaches that teachers can use to lay the foundation for all healthy practices in children. Prerequisite: EDU 100 or EDU 160.

Students in EDUC 218.2 must have a minimum grade point average of 2.7

## **Expected Student Learning Outcomes:**

- 1. Students will be able to articulate priorities for high quality, meaningful physical activity and its relationship to learning, self-confidence and enjoyment. (PECT 0014: 1-7)
- 2. Students will be able to develop an understanding of the priorities for physical education related to PA learning standards. (PECT 0014: 1-7)
- 3. Students will develop principles of health, safety and nutrition related to the learning environment. (PECT 0014:5, 7)
- 4. Students will develop an awareness of the concepts of making healthy choices and preventing hazardous practices and environments. (PECT 0014: 1-7)
- 5. Students will develop strategies to foster parent and community partnerships. IV.D. (PECT 0002: 8; 0004:3)

# **LEARNING ACCOMMODATIONS:**

Students who wish to request accommodations in this class for a disability should contact Elaine Mara, assistant director of learning services for academic and disability support at 1307 Main Street, or by calling 610-861-1510. Accommodations cannot be provided until authorization is received from the Academic Support Center.

## **OTHER INFORMATION:**

Absence Notification: Attendance in class is very important. Should a personal emergency arise it is important that you notify the professor of this as soon as possible. This will assist the professor in the design of small group team projects. Missing any class without a phone call or e-mail prior to class time will significantly lower your overall grade. If you are ill, you must give a doctor's excuse for an excused absence. If you do not have an acceptable reason, your final grade will reflect it. Attendance is of critical importance in order for you to participate actively and gain knowledge for the assigned class.

#### **Class Courtesy:**

**Food**: Water/covered drinks are allowed.

<u>Cell Phones:</u> Turn them off. If an emergency exists, you can arrange with the professor before class. If your cell goes off or if you participate in texting during a class, this will be reflected in zero percent for the professionalism grade that day.

<u>Expected Work Load</u> – For this course, it is expected that you will work between 4-8+ hours outside of class as preparation and completion of assignments for each class/course.

**References and formatting** = Use the <u>Publication of the American Psychological Association</u>, (Current edition) for references and appropriate college level formatting. The font of your papers must be in Arial or Times Roman 12 font. You will be expected to provide accurate documentation and proper citations <u>for all</u> your written work.

<u>Plagiarism</u>: Review and understand the statement in the <u>Student Handbook and on Amos https://amos.moravian.edu/ICS/icsfs/Academic\_Honesty\_Policy.pdf?target=ebeb34f5-5765-4eb1-b699-ab980efb8622</u> Always cite your sources if the ideas are not original and/or reflect others research or publication. If you do plagiarize, you will be reported to the Dean and will receive a failing grade.

## Grading

A= 94-100% (A- = 90-93%)
Your work is definitely outstanding. It goes beyond requirements and shows perception and insightfulness

B= 84-86% (B- = 80-83%) (B+ = 87-89%) You go beyond the requirements enhancing your work by adding additional resources, related areas or topics, etc.

C= 74-76% (C- = 70-73%) (C+ = 77-79%) You meet all requirements adequately.

Check BlackBoard for each assignment information and/or rubric for more specific information. It is within the instructor's purview to apply qualitative judgment in determining grades for all of your assignments and your final grade for this course.

#### Late work

Notify faculty via email prior to the due date of work, that it will be late. Also provide an <a href="mailto:emailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mailto:mai

## **Written work requirements:**

*Written* work requires that is computer generated and submitted via email to the professor. College level papers will reflect the use of spell checker, appropriate grammar, appropriate documentation and coherent flow of information (organization and logic) for a grade.

## **Class Arrangements:**

Class meets every week for a semester with the first half of the semester concentrating on safety, health, and wellness and the second half on physical fitness, movement, safety, & wellness. The class structure will vary according to the content of the class. There will be interactive small group assignments both in and outside of class. Students are expected to actively participate in class discussions and presentations (*note participation grade*). Some classes will require members to physically participate in demo lessons and/or other physical activities.

## BlackBoard (BB) Technical Support:

The course syllabus, assignment information/rubrics and announcements will be provided via BlackBoard. Weekly assignments and new materials will be available on BB. The BB site will also provide some assignment reference materials. Students should consult BB frequently for additions and helpful information.

## **Professionalism:**

Since this is a course to prepare students to think and act like professional educators, it is expected that students' attitudes and behaviors reflect those responsibilities. Attendance, punctuality, and coming prepared to learn, and collaborating with others are all professional behaviors. These behaviors are important to acquire and are needed for this course. Each person will need to be actively involved with class discussions, prepared to present given tasks to the whole class and remain engaged while others are presenting. Assignments and readings must be done to develop a community of learners. Attendance and participation will be calculated and averaged. It is worth 10% of your total grade.

Professionalism Scoring Rubric/Self Reflection Evaluation Form Provided

Attendance	Arrives and leaves on time	Late or leaves early 1 time	Missed class, but called/emailed and had legal excuse; also submitted written work	Misses more than one class and does not call/emailed or frequently arrives or leaves early
	50%	40%	30%	10%
Participation	Encourages others, strong participant, stays on topic, shares ideas, facilitates activities, mentors others, comes "over" prepared	Collaborates well with others, stays focused, is adequately prepared, actively participates, shares in group work	Participates when called on, supports group projects, comes to class not quite prepared on more than 2 times	Talks while others are talking, often not engaged in class discussion or group activities, comes to class not prepared on more than 3 times

Student and professor will tally this weekly.

## Learning Assessment for the course grade will be determined as follows:

- 1. 20% Students will write a lesson plan(s) that can be used in providing positive, developmentally appropriate, and safe movement experiences for young children including diverse populations
- 2. 20% Students will develop, implement in the classroom, and evaluate a unit on nutrition **OR** create a health education lesson for young children

- 3. 10% Professionalism (Assessment rubric above & weekly tally)
- 4. 28% Weekly written work sheets
- 5. 22% Exams and quizzes
