COURES POLICIES

ATTENDANCE:

While it is understood that there are circumstances that could prevent a student from attending class (illness, family emergency), **regular attendance is fully expected. This class includes activities done during class time that may be difficult to make up at a later date.** If a class is missed, the student, in such a case, is expected to **notify the instructor** as soon as possible of the situation. Students should also check with the instructor regarding missed work or assignments. This is your responsibility!

Each unexcused absence will result in a 5 point deduction from the final Class Participation grade. Students using cell phones or any other unnecessary electronic devices during class shall be considered absent from that class and will incur a 5 point deduction as they would for an unexcused absence.

Class participation, for the purpose of this semester, will be measured by the student's attendance, attentiveness, and contribution to discussion.

MISSED TESTS, QUIZZES, AND ASSIGNMENTS:

Every possible effort should be made to take exams and quizzes on the scheduled dates. Test and quiz dates will be announced with at least a ten day notice.

Hard copies of all papers and written assignments must be submitted in person at the beginning of class on the given due date. **In short, do not email your papers!** Any paper or assignment not submitted in this fashion will be considered late. Late papers will be accepted with a penalty (10% deduction) for each day late (including weekends and holidays).

ACADEMIC HONESTY:

Students should acquaint themselves with the college's policy on Academic Honesty in the current **Student Handbook**, specifically both sections entitled "Plagiarism" and "Cheating." Any student found to have not upheld the college's policy shall be dismissed from the course, and assigned a grade of F. Students are urged to see the instructor if they have any questions regarding this matter.

COURSE OUTLINE AND LECTURE TOPICS:

The instructor, with cooperation from the class, will make every effort to cover the list of topics on the following page. This list of topics and the syllabus in general are subject to modification to best fit the needs of the class.

Students will be given weekly reading assignments and should be ready at all times to discuss text chapters. Multiple choice quizzes will also be given during the semester to ensure that reading assignments are completed.

Each student should expect to work at least 5 to 10 hours per week outside of class in order to complete all reading and writing assignments and to adequately prepare for tests and quizzes.
