Course Policies:

- There are **no make-ups for Exams** except in the most serious of situations which I will evaluate on a case by case basis. **Contact me** by phone or by e-mail **BEFORE the test** to inform me of the reasons for your absence.
- There are **no make-ups for MiniQuizes**. (The lowest grade—or one missed quiz—is dropped.)
- I fully expect all students **to attend class and to participate in work done in class**. To emphasize the importance of attendance and oral participation I have allotted **10% of the final grade** to this aspect of the course. In order to participate well **homework assignments must be completed carefully before coming to class, even after an absence**. This work, including lab activities, constitutes **20% of the final grade**. (Most online activities are self-correcting. I will evaluate those that are not. I will correct late homework assignments but will not award credit for them. Students can expect to prepare for between 6-10 hours per week outside of class.

E-mail or phone number of two classmates to contact for work in case of absence:

Name: _____ Contact info: _____

Name: _____ Contact info: _____

- All absences count as an absence, even those for which a doctor's note is available. Therefore, it is best to 1) not schedule doctor's visits during class, and 2) miss class only when absolutely necessary. The student's final attendance grade (5%) is computed as follows: **0 absence = A+ / 1 = A / 2 = A- / 3 = B / 4 = C+ / 5 = C- / 6 = D- / 7 = F (To be clear, every time you miss class counts as an absence, even if you have a doctor's note.)**
- In order to have a **good learning environment** in class I ask that the following conditions be respected:

Arrive in class on time. Repeated late arrivals will be reflected in a lowered class participation grade. Late arrivals of more than 15 minutes will be counted as an absence.

Participate fully in class work. Unsatisfactory classroom behavior, such as little or no verbal response, uncooperative interaction with others for group work and/or a disrespectful attitude will be reflected in a lowered class participation grade.

Turn off cell phones and leave them **out of sight**. Students will lose 5 points on an exam for every time a phone is seen during normal classtime; students will get a zero if a phone is seen during an exam.

Plan to stay in class for the full 70 minutes without taking a break to use the bathroom, check messages, etc.

Stay in your seat during class, except in the case of an emergency.

Thank you for your cooperation!

The Department sponsors a **tutoring program** which provides help to you free of charge. You will hear more about this during the early weeks of the semester.
