Leaving class early will constitute an absence. As part of this policy, 3 days tardy constitutes 1 absence. Absences due to illness or other reasonable causes may entitle the student to make up missed work if communicated to the professor. Absences beyond 3 *for exceptional reasons* may be excused only upon presentation of a letter from a physician or other acceptable documentation. If the number of absences exceeds 3, the student's grade will be lowered by one letter. If the absences exceed 6 in a semester, the student will be issued an "F" for the course. Delivery may be in hard copy or via e-mail attachment as a Word document depending on the assignment from your instructor. Please use a left justified header with your name, exercise name, course #, and date unless otherwise specified. *Please save all documents using your first initial, your last name, and the name of the assignment unless otherwise specified (i.e.: KpDesiderioResume2014.doc).*

- ENERGY, IDEAS & ENGAGEMENT: All students will be assessed in this area based on personal activity as well as engagement with discussions in class. I encourage you to take pride in your performance and BE THERE!
- EXERCISES: In an effort to enhance your understanding of the components included in HRM, be prepared to use writing to explore your reactions to both contemplated and learned materials. You will be reacting to scenarios, discussion questions, as well as to peer-work. You will use writing to explore your thinking, feeling, and learning. These informal exercises will also serve as formative assessments (identifying the areas that you and I can take action on to improve both instruction and learning) for our class. Chapter quizzes will be due for each corresponding chapter; please note that **you will need access** to the Online CourseMate!
 - HRM BUZZ WITH DR. D.: As a value-add to build on our class discussions, you will contribute to our learning environment by sharing interesting, effective, ineffective, and stimulating "buzz" pertaining to HRM. Each week, you will share personal and professional reactions to your findings as well as those discussed in class. Your goal is to watch the news, listen to the radio, read relevant journals and/or magazines, and surf the web for the latest and greatest HRM buzz using progressive critical examination as your learning increases. *Hint: set a Google alert for HR buzzwords!* Please share buzz pertaining to one chapter (of your choice) that we are covering each week for discussion (i.e.: week 1 you may bring buzz on Ch. 1 or 2...). You can earn up to 10 stars for each of the 10 weeks we will cover chapter material. *Note: you cannot earn more than one star per week. 1 star = 10pts.*
- ◆ INTERVIEW AN HRM PROFESSIONAL! Each student team will be assigned a chapter whereby you will interview an HRM professional asking questions related to the selected chapter. EXPERIENTIAL-LEARNING VENTURE: Congratulations! You have been hired by Moravian College to contribute to the mission of the College.

• PLEASE REFER TO THE APPENDICES FOR PROJECT DETAILS!

The experiential-learning venture is the culmination of your learning, thinking, problem solving, and executions. The experience *should be* exciting, frustrating, fun, difficult, and an excellent learning adventure. *Be certain to reference specific learnings from class, concepts discussed, and material covered in class in your work. It will be fascinating to reflect back on what you have learned!*

→THE EXPERIENTIAL-LEARNING VENTURE IS A PERFECT CANDIDATE FOR INCLUSION IN YOUR LEARNING PORTFOLIO.

• **EXAMS:** The non-cumulative, session-long, electronic examinations are a combination of multiple-choice (specific terminology recognition, knowledge, and application) and essay (application, analysis, and synthesis). Test questions will be derived from the text, in-class discussions, guest speakers, exercises, and experiential learning. Tests are intended to ensure that students have grasped the fundamentals of HRM and are ready to build on that knowledge. Thus, *you need to be actively engaged in this class* to benefit from the knowledge shared both from assignments and from your peers! Some of the richest discussions will be those shared among classmates; your discussions to the class as a whole are encouraged.

ASSESSMENTS: In addition to summative assessment tools, (exams, exercises, which include online assignments, and completed projects) we also will be engaging in formative assessment techniques (identifying the areas that you and I can take action on to improve both instruction and learning). *Together*, you and I will share responsibility for creating and maintaining a supportive, exciting learning environment in our classroom!

The discussions, exercises, and assignments are opportunities for you to enhance your conceptual and practical skills. They are also opportunities to develop and enhance your written and oral communication skills. You will participate in peer-reviewed workshops to evaluate and revise assignments and develop strategy.

 Please use a word processor program for all assignments and keep your personal copy on file. All members of this class should have a personal copy of all individual and team-based assignments for their portfolio.

Appendix A: MGMT 253A PROJECT DETAIL

- EXPERIENTIAL-LEARNING VENTURE: Congratulations! You have been hired by Moravian College to contribute to the mission of the College:
 - Moravian College is a residential, liberal arts college that draws on the Moravian traditions of community, engagement in the world, and balance among body, mind, and spirit in the life of the individual. The College seeks to develop in students of all backgrounds the capacity to learn, reflect, reason, communicate, and act with integrity as individuals and in association with others. This education prepares men and women for advanced study and continuous learning, individual achievement, and leadership and service for the common good.

Included in this are the 4 essential functions of management (Planning, Organizing, Leading, and Controlling). This year, we have partnered with the Career Center and Institutional Advancement to explore ways to both embrace our alumni while concurrently implementing a student-focused event! Even more, YOU will be a behind-the-scenes contributor of making this event a success! Wait, there is more. This is an exhilarating year to be a HOUND and we are presented the opportunity to embrace our ability to leave our mark at Moravian College. Are you excited yet?

In an effort to holistically develop your skills, as a student learner and aspiring professional, it is imperative that your experiences extend beyond the classroom. Our class will fully engage in this partnership with Amy Saul and Julia Gasdaska where your efforts will inform your direction. Don't take this College for granted -- start learning more about how you can impact the lives of current and future students by understanding and appreciating what it means to be a Hound: http://www.moravian.edu/default.aspx?pageid=11.

- TASK. The experiential-learning venture involves having students enrolled in this class partner with the Career Center and Institutional Advancement from August through December 2014 in partial fulfillment of this course. Each student is responsible for fully engaging in this partnership. In an effort to fully enhance your experience, we will meet our community partners regularly. You will plan, organize, and lead a HRM *Alumni Hounds Day* event on November 13, 2014. Please note that you will be working on this hands-on learning experience for the entire semester.
- **ROLE AND AUDIENCE.** Based on our learnings in class, students will be asked to EXPLORE HRM CONCEPTS IN ACTION in this real world applied learning experience. The learning venture will be an environment that enhances your knowledge while developing critical thinking skills that will drive the creation of a comprehensive, management-focused end of semester alumni networking event. What a great opportunity for you!

Appendix D: KEYNOTE QUICK REFERENCE GUIDES

How to download Keynote for FREE: <u>https://www.apple.com/mac/keynote/</u>

Keynote for iOS (iPad): Send and receive presentations in email messages Retrieved from: http://support.apple.com/kb/PH3494

You can import Keynote '09 or Microsoft PowerPoint presentations from a computer to view or edit in Keynote on your iPad, iPhone, or iPod touch. Keynote documents created or edited on your iOS device can also be exported for viewing as a PDF file or as a PowerPoint file for viewing and editing on a computer.

A quick way to transfer a presentation between a computer and your iOS device is to send it as an attachment in an email message. To do this, you must have already set up email services on your iOS device. To learn about setting up email services on your iOS device, see the instructions in the Mail chapter of the device's User Guide (in Safari bookmarks on your iOS device, tap the User Guide link).

Send a presentation in an email message:

- 2. Open the presentation you want to export, and then tap \mathscr{F} in the toolbar.
- 3. Tap "Share and Print," and then tap Email Presentation.
- 4. Tap the document format you want to export to: Keynote, PowerPoint, or PDF.
- 5. In the email message that appears, provide an address and type any message you want to accompany the presentation.
- 6. Tap Send.

Retrieve a Keynote or Microsoft PowerPoint presentation from an email message:

Keynote can open presentations that were saved using some types of file encryption available in Microsoft Office 97 and later. If you can't open an encrypted Microsoft PowerPoint presentation, try changing the type of encryption or the encryption options used, and then save it again before opening it in Keynote.

- 2. Open Mail, and then open the message containing the presentation you want.
- 3. Tap the file's image in the email message to open a preview.
- 4. Tap C, and then tap "Open in Keynote." If the presentation can also be opened by another application on your iOS device, tap "Open in," and then tap Keynote. Mail recedes into the background and Keynote opens, displaying a preview of the new presentation with a generic Keynote or PowerPoint document icon. A progress bar indicates the presentation is importing, and then it appears in Presentations view.
