

Mr. James Barnes (cell phone/text # distributed at camp)

For Band Officers and all information about the band, see the webpage:

<http://home.moravian.edu/public/music/instrumental/band/index.htm>

Goals: Performances of music reflected in movement and color. A core of students will participate in leadership. Music education students will participate in sessions designed for directors and marching methods.

Materials: See the website for uniform details. “Normally” provided instruments include Pit, Drumline, and Sousaphones. Other instruments are available on a limited basis. Color Guard equipment and uniforms are provided.

Grading and criteria: Grades are Pass/No Credit. Since some people have never been in a marching band, grades are based mostly on attendance (participation and involvement). The grade may also be influenced by a student’s commitment to the ensemble’s goals. Any reduction of grade will be discussed between the individual and Mr. Barnes. Attendance is required at all camps, rehearsals, and events. The band leadership does not give “permission” to miss; students with conflicts should decide what is important enough to miss marching band and let Mr. Barnes know.

Unanticipated conflicts may arise. Please communicate these with Mr. Barnes. If you have a consistent conflict (late lab on Tuesdays), please send Mr. Barnes an e-mail/text about this regular issue to avoid being marked late (not to your section leader or the Band Secretary/Librarian).

Emergency numbers: Call 911 or Campus Safety (610-861-1421). If you are ill (but, for instance, not throwing up!), come to rehearsal and observe by the sideline. If you cannot attend a rehearsal due to illness, please contact Mr. Barnes. If you have 3 or more absences (excused or not), Mr. Barnes will meet with you to discuss your continued role in the ensemble.

Use sunblock and stay hydrated. The band brings supplies of sunblock and water to rehearsals and games. When we use the HILL field, it will be sprayed prior to rehearsals; but you may also wish to use your personal insect repellent.

Schedule: Please see the website and below. Changes will be announced.

Disability Statement: “Students who wish to request accommodations in this class for a disability should contact Laurie Roth, located on the lower level of Monocacy Hall (610-861-1401). Accommodations cannot be provided until authorization is received from the Academic & Disability Support office. For students needing other academic support, please contact Dana Wilson or Laurie Roth at the same number.
